Complaint, ¶¶ 72 [illegible] Exhibit 1962

420

September 20th, 1913.

C. H. Cooper Esq.,

Willowdale Ont.

Dear Sir:

In answer to your letter, asking me whether you could enter Medicine in the University of Toronto with ~~an Honour~~ a Matriculation certificate without Latin, I must say that our Regulations do not permit this. For some years now we have required complete Matriculation before entering upon the study of Medicine. The work itself is so difficult that a student should not be handicapped by any extra subjects.

Yours sincerely,

President
